## READER'S CORNER

### Tremendous support

Sat, Nov 13 - 4:53 AM

This year marks the 25th anniversary of National Philanthropy Day, Nov 15.

The Canadian charitable sector continues to grow to fill the gaps left by a lack of government funding. As the president of On The Front Line Society (breast cancer fund), I see the important contributions made each year to our communities. Corporate and community partners make a huge difference in the success of our Titz'n Glitz fundraising gala as well as our Toonies for Ta-Ta's campaign.

What is often forgotten is the tremendous support of our volunteers, who give of their time unselfishly. This support ensures that breast cancer patients in financial need will continue to get help across the province of Nova Scotia.

Our communities would not enjoy the quality of life they do, if not for groups such as On The Front Line Society and the volunteers and sponsors who generously support them.

Valerie Dubois, President,

On The Front Line Society
